

## **TITLE DEEDS FOR COMPENSATION ISSUED**

Water and Irrigation Natural resources Cabinet Secretary Eugene Wamalwa together with other leaders toured the site for the construction of Thiba Dam, in Central Kenya. The dam is set to benefit farmers in the expansive Mwea Irrigation Scheme. The construction which kicks off next month will cost the National Government 12 billion.

Water and Irrigation Cabinet Secretary Eugene Wamalwa also issued Title Deeds to resettle the Project Affected Persons (PAP) for the construction the Thiba Dam Project in Central Kenya which aims to supply water for irrigation to the Mwea Irrigation Scheme.
