Any clarification submitted by a Applicants that is not in response to a request by the Procuring Entity shall not be considered. The Procuring Entity's request for clarification and the response shall be in writing. No change, including any voluntary increase or decrease, in the prices or substance of the Application shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the Procuring Entity in the evaluation of the Applications, in accordance with ITT 33.

29.2 If a Applicants does not provide clarifications of its Application by the date and time set in the Procuring Entity's request for clarification, its Application may be rejected.

27. Deviations, Reservations, and Omissions

30.1 During the evaluation of Applications, the following definitions apply:

- k) "Deviation" is a departure from the requirements specified in the Application document;
- l) "Reservation" is the setting of limiting conditions or withholding from complete acceptance of the requirements specified in the Application document; and
- m) "Omission" is the failure to submit part or all of the information or documentation required in the Application document.

28. Determination of Responsiveness

31.1 The Procuring Entity's determination of a Application's responsiveness is to be based on the contents of the Application itself, as defined in ITT 13.

31.2 A substantially responsive Application is one that meets the requirements of the Application document without material deviation, **reservation, or omission. A material deviation, reservation, or omission is one that, if accepted, would:**

- n) affect in any substantial way the scope, quality, or performance of the Services specified in the Registration ; or
- o) limit in any substantial way, inconsistent with the Application document, the Procuring Entity's rights or the Applicants obligations under the proposed Registration

; or

- p) if rectified, would unfairly affect the competitive position of other Applicants presenting substantially responsive Applications .

31.3 The Procuring Entity shall examine the technical aspects of the Application submitted in accordance with ITT 18, to confirm that all requirements of Section VII, Works' Requirements have been met without any material deviation, reservation or omission.

31.4 If a Application is not substantially responsive to the requirements of the Application document, it shall be rejected by the Procuring Entity and may not subsequently be made responsive by correction of the material deviation, reservation, or omission.

29. Non-material Non-conformities

32.1 Provided that a Application is substantially responsive, the Procuring Entity may waive any non-conformities in the Application.

32.2 Provided that a Application is substantially responsive, the Procuring Entity may request that the Applicants submit the necessary information or documentation, within a reasonable period, to rectify nonmaterial non-conformities in the Application related to documentation requirements. Requesting information or documentation on such non- conformities shall not be related to any aspect of the price of the Application. Failure of the Applicants to comply with the request may result in the rejection of its Application.

32.3 Provided that a Application is substantially responsive, the Procuring Entity shall rectify quantifiable nonmaterial non-conformities related to the Application Price. To this effect, the Application Price shall be adjusted, for comparison purposes only, to reflect the price of a missing or non-conforming item or component in the manner specified in the **TDS**.

30. Arithmetical Errors

33.1 The Application sum as submitted and read out during the Application opening shall be absolute and final and shall not be the subject of correction, adjustment or amendment in any way by any person or entity.

33.2 Provided that the Application is substantially responsive, the Procuring Entity shall handle errors on the following basis:

- q) Any error detected if considered a major deviation that affects the substance of the Application, shall lead to disqualification of the Application as non-responsive.
- r) Any errors in the submitted Application arising from a miscalculation of unit price, quantity, and subtotal and total bid price shall be considered as a major deviation that affects the substance of the Application and shall lead to disqualification of the Application as non-responsive. and
- s) if there is a discrepancy between words and figures, the amount in words shall prevail

33.3 Applicants shall be notified of any error detected in their bid during the notification of a ward.

31. Currency provisions

34.1 Applications will priced be in Kenya Shillings only. Applicants quoting in currencies other than in Kenya shillings will be determined non-responsive and rejected.

32. Margin of Preference and Reservations

35.1 No margin of preference shall be allowed on Registration for Service

35.2 Where it is intended to reserve the Registration to specific groups under Small and Medium Enterprises, or enterprise of women, youth and/or persons living with disability, who are appropriately registered as such by the authority to be specified in the **TDS**, a procuring entity shall ensure that the invitation to Application specifically indicates that only businesses/firms belonging to those specified groups are the only ones eligible to Application. Otherwise if no so

stated, the invitation will be open to all Applicants.

33. Evaluation of Applications

37.1 The Procuring Entity shall use the criteria and methodologies listed in this ITT and Section III, Evaluation and Qualification Criteria. No other evaluation criteria or methodologies shall be permitted. By applying the criteria and methodologies the Procuring Entity shall determine the Best Evaluated Application in accordance with ITT 40.

37.2 To evaluate a Application, the Procuring Entity shall consider the following:

- t) price adjustment due to discounts offered in accordance with ITT 16;
- u) converting the amount resulting from applying (a) and (b) above, if relevant, to a single currency in accordance with ITT 39;
- v) price adjustment due to quantifiable nonmaterial non-conformities in accordance with ITT 30.3; and
- w) any additional evaluation factors specified **in the TDS** and Section III, Evaluation and Qualification Criteria.

37.3 The estimated effect of the price adjustment provisions of the Conditions of Registration, applied over the period of execution of the Registration, shall not be considered in Application evaluation.

37.4 In the case of multiple Registrations or lots, Applicants shall be allowed to Application for one or more lots and the methodology to determine the lowest evaluated cost of the lot (Registration) combinations, including any discounts offered in the **Form of Application, is specified in Section III, Evaluation and Qualification Criteria.**

34. Comparison of Applications

38.1 The Procuring Entity shall compare the evaluated costs of all substantially responsive Applications established in accordance with ITT 38.2 to determine the Application that has the lowest evaluated cost.

35. Abnormally Low Applications

39.1 An Abnormally Low Application is one where the Application price, in combination with other elements of the Application, appears so low that it raises material concerns as to the capability of the Applicants in regards to the Applicants ability to perform the Registration for the offered Application Price or that genuine competition between Applicants is compromised.

39.2 In the event of identification of a potentially Abnormally Low Application, the Procuring Entity shall seek written clarifications from the Applicants, including detailed price analyses of its Application price in relation to the subject matter of the Registration, scope, proposed methodology, schedule, allocation of risks and responsibilities and any other requirements of the Application document.

39.3 After evaluation of the price analyses, in the event that the Procuring Entity determines that the Applicants has failed to demonstrate its capability to perform the Registration for the offered Application Price, the Procuring Entity shall reject the Application.

36. Abnormally High Applications

40.1 An abnormally high price is one where the Application price, in combination with other constituent elements of the Application, appears unreasonably too high to the extent that the Procuring Entity is concerned that it (the Procuring Entity) may not be getting value for money or it may be paying too high a price for the Registration compared with market prices or that genuine competition between Applicants is compromised.

40.2 In case of an abnormally high Application price, the Procuring Entity shall make a survey of the market prices, check if the estimated cost of the Registration is correct and review the

Application Documents to check if the specifications, scope of work and conditions of Registration are contributory to the abnormally high Applications. The Procuring Entity may also seek written clarification from the Applicants on the reason for the high Application price. The Procuring Entity shall proceed as follows:

- i) If the Application price is abnormally high based on wrong estimated cost of the Registration, the Procuring Entity may accept or not accept the Application depending on the Procuring Entity's budget considerations.
- ii) If specifications, scope of work and/or conditions of Registration are contributory to the abnormally high Application prices, the Procuring Entity shall reject all Applications and may reapplication for the Registration based on revised estimates, specifications, scope of work and conditions of Registration , as the case may be.

40.3 If the Procuring Entity determines that the Application Price is abnormally too high because genuine competition between Applicants is compromised (*often due to collusion, corruption or other manipulations*), the Procuring Entity shall reject all Applications and shall institute or cause competent Government Agencies to institute an investigation on the cause of the compromise, before reApplicationing.

37. Unbalanced and/or Front-Loaded Applications

41.1 If in the Procuring Entity's opinion, the Application that is evaluated as the lowest evaluated price is seriously unbalanced and/or front loaded, the Procuring Entity may require the Applicants to provide written clarifications. Clarifications may include detailed price analyses to demonstrate the consistency of the Application prices with the scope of works, proposed methodology, schedule and any other requirements of the Application document.

41.2 After the evaluation of the information and detailed price analyses presented by the Applicants, the Procuring Entity may as appropriate:

- x) accept the Application; or
- y) require that the total amount of the Performance Security be increased at the expense of the Applicants to a level not exceeding a 30% of the Registration Price; or
- z) agree on a payment mode that eliminates the inherent risk of the Procuring Entity paying too much for undelivered works; or
- aa) reject the Application,

38. Qualifications of the Applicants

42.1 The Procuring Entity shall determine to its satisfaction whether the eligible Applicants that is selected as having submitted the lowest evaluated cost and substantially responsive Application, meets the qualifying criteria specified in Section III, Evaluation and Qualification Criteria.

42.2 The determination shall be based upon an examination of the documentary evidence of the Applicants qualifications submitted by the Applicants, pursuant to ITT 19. The determination shall not take into consideration the qualifications of other firms such as the Applicants subsidiaries, parent entities, affiliates, applicants (other than Specialized Applicants if permitted in the Application document), or any other firm(s) different from the Applicants.

42.3 An affirmative determination shall be a prerequisite for award of the Registration to the Applicants. A negative determination shall result in disqualification of the Application, in which event the Procuring Entity shall proceed to the Applicants who offers a substantially responsive Application with the next lowest evaluated price to make a similar determination of that Applicants qualifications to perform satisfactorily.

42.4 An Abnormally Low Application is one where the Application price, in combination with other elements of the Application, appears so low that it raises material concerns as to the capability of the Applicants in regards to the Applicants ability to perform the Registration for the offered Application Price.

42.5 In the event of identification of a potentially Abnormally Low Application, the Procuring Entity shall seek written clarifications from the Applicants, including detailed price analyses of its Application price in relation to the subject matter of the Registration, scope, proposed methodology, schedule, allocation of risks and responsibilities and any other requirements of the Application document.

42.6 After evaluation of the price analyses, if the Procuring Entity determines that the Applicants has failed to demonstrate its capability to perform the Registration for the offered Application Price, the Procuring Entity shall reject the Application.

39. Best Evaluated Application

43.1 Having compared the evaluated prices of Applications, the Procuring Entity shall determine the Best Evaluated Application. The Best Evaluated Application is the Application of the Applicants that meets the Qualification Criteria and whose Application has been determined to be:

- bb) Most responsive to the Application document; and
- cc) the lowest evaluated price.

40. Procuring Entity's Right to Accept Any Application, and to Reject Any or All Applications.

44.1 The Procuring Entity reserves the right to accept or reject any Application and to annul the Application process and reject all Applications at any time prior to Registration Award, without thereby incurring any liability to Applicants. In case of annulment, all Applicants shall be notified with reasons and all Applications submitted and specifically, Application securities, shall be promptly returned to the Applicants.

41. F. Award of Registration

Award Criteria

45.1 The Procuring Entity shall award the Registration to the successful Applicants whose Application has been determined to be the Lowest Evaluated Application.

42. Notice of Intention to enter into a Registration

43. Standstill Period

47.1 The Registration shall not be signed earlier than the expiry of a Standstill Period of 14 days to allow any dissatisfied Application to launch a complaint. Where only one Application is submitted, the Standstill Period shall not apply.

47.2 Where a Standstill Period applies, it shall commence when the Procuring Entity has transmitted to each Applicants the Notification of Intention to Enter **into a Registration with the successful Applicants.**

44. Debriefing by the Procuring Entity

- 48.1 On receipt of the Procuring Entity's Notification of Intention to Enter into a Registration referred to in ITT 46, an unsuccessful Applicants may make a written request to the Procuring Entity for a debriefing on specific issues or concerns regarding their Application. The Procuring Entity shall provide the debriefing within five days of receipt of the request.
- 48.2 Debriefings of unsuccessful Applicants may be done in writing or verbally. The Applicants shall bear its own costs of attending **such a debriefing meeting**.

45. Letter of Award

- 49.1 Prior to the expiry of the Application Validity Period and upon expiry of the Standstill Period specified in ITT 42.1, upon addressing a complaint that has been filed within the Standstill Period, the Procuring Entity shall transmit the Letter of Award to the successful Applicants. The letter of award shall request the successful Applicants to furnish the Performance Security within 21 days of the date of the letter.

46. Signing of Registration

- 50.1 Upon the expiry of the fourteen days of the Notification of Intention to enter into Registration and upon the parties meeting their respective statutory requirements, the Procuring Entity shall send the successful Applicants the Registration Agreement.
- 50.2 Within fourteen (14) days of receipt of the Registration Agreement, the successful Applicants shall sign, date, and return it to the Procuring Entity.
- 50.3 The written Registration shall be entered into within the period specified in the notification of award and before expiry of the Application validity period

47. Appointment of Adjudicator

- 51.1 The Procuring Entity proposes the person named in the **TDS** to be appointed as Adjudicator under the Registration, at the hourly fee specified in the **TDS**, plus reimbursable expenses. If the Applicants disagrees with this proposal, the Applicants should so state in his Application. If, in the Letter of Acceptance, the Procuring Entity does not agree on the appointment of the Adjudicator, the Procuring Entity will request the Appointing Authority designated in the Special Conditions of Registration (SCC) pursuant to Clause 23.1 of the General Conditions of Registration (GCC), to appoint the Adjudicator.

48. Performance Security

- 52.1 Within twenty-one (21) days of the receipt of the Letter of Acceptance from the Procuring Entity, the successful Applicants shall furnish the Performance Security and, any other documents required in the **TDS**, in accordance with the General Conditions of Registration, subject to ITT 40.2 (b), using the Performance Security and other Forms included in Section X, Registration Forms, or another form acceptable to the Procuring Entity. A foreign institution providing a bank guarantee shall have a correspondent financial institution located in Kenya, unless the Procuring Entity has agreed in writing that a correspondent bank is not required.
- 52.2 Failure of the successful Applicants to submit the above-mentioned Performance Security and other documents required in the **TDS**, or sign the Registration shall constitute sufficient grounds for the annulment of the award and forfeiture of the Application Security. In that event the Procuring Entity may award the Registration to the Applicants offering the next Best Evaluated Application.
- 52.3 Performance security shall not be required for Registrations estimated to cost less than Kenya shillings five million shillings.

49. Publication of Procurement Registration

53.1 Within fourteen days after signing the Registration, the Procuring Entity shall publish the awarded Registration at its notice boards and websites; and on the Website of the Authority. At the minimum, the notice shall contain the following information:

B. APPENDIX 1- FRAUD AND CORRUPTION

(Appendix 1 shall not be modified)

1. Purpose

2. The Government of Kenya's Anti-Corruption and Economic Crime laws and their sanction's policies and procedures, Public Procurement and Asset Disposal Act (*no. 33 of 2015*) and its Regulation, and any other Kenya's Acts or Regulations related to Fraud and Corruption, and similar offences, shall apply with respect to Public Procurement Processes and Registrations that are governed by the laws of Kenya.

3. Requirements

The Government of Kenya requires that all parties including Procuring Entities, Applicants, (applicants/proposers), Consultants, APPLICANTS and Suppliers; any Applicants, Sub-consultants, Service providers or Suppliers; any Agents (whether declared or not); and any of their Personnel, involved and engaged in procurement under Kenya's Laws and Regulation, observe the highest standard of ethics during the procurement process, selection and Registration execution of all Registrations, and refrain from Fraud and Corruption and fully comply with Kenya's laws and Regulations as per paragraphs 1.1 above.

Kenya's public procurement and asset disposal act (*no. 33 of 2015*) under Section 66 describes rules to be followed and actions to be taken in dealing with Corrupt, Coercive, Obstructive, Collusive or Fraudulent practices, and Conflicts of Interest in procurement including consequences for offences committed. A few of the provisions noted below highlight Kenya's policy of no tolerance for such practices and behavior: -

- 1) a person to whom this Act applies shall not be involved in any corrupt, coercive, obstructive, collusive or fraudulent practice; or conflicts of interest in any procurement or asset disposal proceeding;
- 2) A person referred to under subsection (1) who contravenes the provisions of that sub-section commits an offence;
- 3) Without limiting the generality of the subsection (1) and (2), the person shall be: -
 - a) disqualified from entering into a Registration for a procurement or asset disposal proceeding; or
 - b) if a Registration has already been entered into with the person, the Registration shall be voidable;
- 4) The voiding of a Registration by the procuring entity under subsection (7) does not limit any legal remedy the procuring entity may have;
- 5) An employee or agent of the procuring entity or a member of the Board or committee of the procuring entity who has a conflict of interest with respect to a procurement: -
 - a) shall not take part in the procurement proceedings;
 - b) shall not, after a procurement Registration has been entered into, take part in any decision relating to the procurement or Registration; and
- c) shall not be a sub Registration or for the bidder to whom was awarded Registration, or a member of the group of bidders to whom the Registration was awarded, but the sub Registration or appointed shall meet all the requirements of this Act.
- 6) An employee, agent or member described in subsection (1) who refrains from doing anything prohibited under that subsection, but for that subsection, would have been within his or her duties shall disclose the conflict of interest to the procuring entity;
- 7) If a person contravenes subsection (1) with respect to a conflict of interest described in subsection (5)(a) and the Registration is awarded to the person or his

relative or to another person in whom one of them had a direct or indirect pecuniary interest, the Registration shall be terminated and all costs incurred by the public entity shall be made good by the awarding officer. Etc.

In compliance with Kenya's laws, regulations and policies mentioned above, the Procuring Entity:

- a) Defines broadly, for the purposes of the above provisions, the terms set forth below as follows:
 - i) "corrupt practice" is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;
 - ii) "fraudulent practice" is any act or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain financial or other benefit or to avoid an obligation;
 - iii) "collusive practice" is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;
 - iv) "coercive practice" is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
 - v) "obstructive practice" is:
